N B—Care should be taken to see that the deduction allowed represents the repairs, and depreciation of only one year, *i.e.*, the year the income of which is assessed.

(*b*) *In cases of houses owned and let by the owner for rent.*

(1) Sums expended in insuring or keeping insured such houses, the deduction being confined only to the premia (including subscriptions, etc.) paid during the year upon the income accruing in which the tax is assessed

(2) Actual expenditure during the year on repairs and renewal of houses, if such repairs are at the cost of the assessee, but not depreciation in the value of such buildings.

(3) Sums expended in collecting the rent not exceeding 6 per cent. of the gross rental. The deduction applies only to direct payments.

(4) Any interest payable to a mortgagee not in possession, whether the interest has or has not been actually paid during the year.

(5) Any rent or quit-rent paid by the assessee on account of such houses or their sites. (Notification No. 89, dated 26th February 1895, printed on pages 209 & 210, Part I of *Fort St. George Gazette*, dated 5th March 1895).

*(*c*) *In cases of houses occupied by the owner for dwelling purposes under section 24 of Act II of 1886.*

(1) When buildings are occupied by their owners as dwelling-houses, five-sixths of the estimated annual rent thereof shall be added to the net income under Part IV and the sum total assessed, provided that, where five sixths of the annual rental value exceeds 10 per cent of the assessee's income from all sources whether taxable or not, the excess shall be deducted from the five sixths of the rental value and the remainder added to the net income under Part IV.

(2) Houses reserved for the use of the owner, but not occupied by him during the period which serves as the basis of assessment.

N B—The term *renewal* as used in the returns refers only to such works as are intended to put the building into the same state as it was in when it was originally constructed, while any additional accommodation provided or any material alteration to the plan of the building shall be treated as an addition.

When a portion of the house is occupied by the owner and the remainder let out on hire, the portions should be treated as if they were separate houses and deductions allowed accordingly, *i.e.*, either a sixth of the annual rent-value or actual expenditure on repairs and renewals, as the case may be.

EXAMPLES OF DEDUCTIONS FROM THE GROSS RECEIPTS WHICH ARE NOT ADMISSIBLE.

(1) Amounts expended by Vahils on the purchase of Law books and stationery.

(2) Amount set apart to form a Renewal Fund in cases where allowance is made for repairs under the rules.

(3) Amount set apart as a Reserve Fund out of profit to meet anticipated or contingent losses

(4) Amount spent in or set apart for repayment of debts.

(5) Interest on capital put in by the partners of the firm.

(6) Partner's allowances

(7) Bad or doubtful debts not written off.

(8) Any set off out of the profits of the year on account of ascertained losses of previous years.

(14) Tiffin expenses of partners of a firm when these can be separately ascertained.

(15) Interest not received in cash, a bond being taken for the same.

(16) Deductions for depreciation in the value of buildings.

(17) Payments made to form an Insurance Fund against future losses.

M.R.Ry. Rao Sahib T. Namberumal Chetty Garu.
M.R.Ry. G. Narayanaswamy Chetty Garu.

320. Read, approved and recorded the minutes of the proceedings of the previous meeting held on Friday, 12th February 1909.

321. Read note by the Deputy Port Conservator submitting for approval certain proposals for improving salvage arrangements in the port.

Resolved that the proposals be approved.

322. Read note by the Deputy Port Conservator submitting proposals to increase the pay of some members of his office and outdoor staff.

Resolved that the proposals be approved subject to the sanction of Government which will be applied for.

323. Read correspondence with firms interested in the coal trade on the subject of their having recently been charged the authorised 2-anna haulage rate, per ton of wagon capacity, instead of the 1-anna rate which was all that had previously been levied.

Resolved that the Chairman ascertain which of the firms have current contracts for delivery of coal, and that the rate charged be such as not to disturb current contracts, but that afterwards the 2-anna rate—for shunting done by the Port Trust—be enforced.

Refunds to be made in accordance with the above decision.

324. Read note by the Chairman proposing payment of the Trust's contribution to the accounts of certain Provident Fund subscribers paid from Pilotage Fund who, between the 1st April 1903 and the 31st March 1909, did not pay in their own subscriptions owing to their status not having been decided on.

Resolved that the Port Trust contribution be paid for the period in question, subject to the sanction of Government which will be applied for.

325. Read the audit objection to the grant of overtime allowance to Vythilingam Pillai in September and October 1908 while he was doing the duty of Manager and Deputy Chief Accountant.

Resolved that the grant of the overtime allowance be sanctioned.

326. Read letter from Mr. G. R. P. Lloyd, Assistant Traffic Manager, requesting permission to retire from the Trust's service from 1st April 1909.

Resolved that Mr. G. R. P. Lloyd's resignation be accepted.

327. Read note by the Traffic Manager proposing the appointment of an Assistant Traffic Manager on a monthly salary of Rs. 250 rising by yearly increments of Rs. 10 to Rs. 300, and of Mr. H. Graves, on daily wages of Rs. 4 since the 28th September 1908, and as Traffic Supervisor on Rs. 5 per diem from the 1st February 1909 until further notice.

Resolved that the proposals be approved and that the Chairman arrange to negotiate for the engagement of a suitable Assistant Traffic Manager.

328. Read correspondence between the Chairman and the Managing Agents of the Madras Electric Supply Corporation (Limited) ending with the latter's letter, dated the 24th February 1909.

Resolved that Government be asked to sanction the supply of current by the Corporation to the Port Trust premises in anticipation of the grant to them of a license.

329. Read note by the Chairman submitting for sanction proposals from the Trust's Chief Engineer regarding certain members of the dredging staff.

Resolved (a) that Mr. A. Park be allowed to go as soon as, on the arrival of a new one, the Trust's Chief Engineer can spare him.

(b) That Mr. E. J. Payne be re-engaged, on the completion of his present agreement, for a further term of 3 years, on a salary of Rs. 325 a month, to commence from the 13th July 1909, the date of completion of his present engagement, and that his earned leave be allowed to accumulate to his credit.

330. Recorded a *nil* statement of estimates sanctioned since the 12th February 1909.

331. Recorded the Trust's Capital and Revenue accounts for December 1908.

332. Recorded G.O., No. 13, Marine, dated 12th January 1909, approving the proposal of the Port Trust Board to revise the Code of Signals for the Port of Madras and the amendments to the Port and Explosives Rules necessitated thereby, and stating that orders regarding the amendments of the Plague rules will issue in the Local and Municipal Department—*vide* Resolution No. 86, dated 3rd July 1908.

333. STATEMENT OF OBJECTS AND REASONS.

The principal object of this Bill is to effect certain amendments in the Military Lunatics Act, 1877, the Cantonments (House Accommodation) Act, 1902, and the Indian Works of Defence Act, 1903, which are necessitated by the abolition of Commands and the reorganization of the Army in India.

The opportunity is also taken to remedy certain other defects in the Military Lunatics Act, 1877. All Administrative Medical Officers are now given power by section 3 to make an order for the reception of a military lunatic into any asylum duly authorized by the Governor General in Council, or to apply for his transfer to the military authorities with a view to his removal to England.

In section 7 the word "other" before the words "officer authorized" is meaningless and has been omitted.

It has been found that the names of volunteers remain on the rolls of their corps after they have become ineffective from various causes, as the Commanding Officer has not the power to remove the name of a man from the rolls of the Corps in such circumstances.

The opportunity is taken of remedying this defect in the Act.

It is considered desirable, for the purpose of admitting of better control over the sale or supply of spirituous liquors or intoxicating drugs to Native troops and followers in cantonments or within such limits around a cantonment as the Local Government may prescribe by notification in the official Gazette, that section 13 of the Cantonments Act, 1889, should be made applicable to Native troops and followers, so as to provide for the infliction of penalties in cases where a person sells such liquors or drugs to the said Native troops or followers, without having first obtained the necessary permission from the Commanding Officer of the cantonment or from some person authorized by the Commanding Officer to grant such permission.

With the object of facilitating the apprehension of offenders who sell liquor to soldiers or their families or to followers contrary to law, it is considered desirable to expand the provisions of section 14 of the Cantonments Act, 1889, so as to empower excise-officers to take action under that section, that is to say, to arrest without an order from a Magistrate, and without a warrant, any person committing an offence under sections 13 and 14.
